AMENDMENT

Commissioner for Patents

Washington, D.C. 20231

Sir:

Responsive to the Official Action of January 9, 2002,
please amend the above-identified application as follows:

IN THE CLAIMS:

Amend claim 1 as follows:

--1. (amended) A system semiconductor device,
comprising:

a system LSI cell portion which includes a plurality of
functional blocks for realizing specific functions, each of the
functional blocks serving as a unit circuit and being arranged on
a semiconductor chip; and

a global wiring layer which has a wiring layer on a
semiconductor substrate and which is laminated with the system
LSI cell portion such that the functional blocks are electrically
connected to each other;

wherein:
